Dear Evan,

I must move closer to my work to improve my commute, but I wanted to let you know that we very much enjoyed living at 72 Lavergne #2.

The apartment is certainly huge, and the value was fantastic. I especially liked the layout, with the kitchen and dining areas separated from the living room. Having them on opposite ends of the apartment gave us lots of privacy and flexibility with my roommate and our guests. The wall of closets separating the bedrooms also enhanced privacy. My compliments to the architect.

We were also very happy with your property management services. All our requests were addressed in short order, and we recognize that you went above and beyond to ensure we enjoyed our stay to the fullest. It was a pleasure dealing with you personally; always polite and professional.

Lastly, I wanted to complement you on your efficiency with the rental process. Both when we wanted to rent the apartment, and also when it came time to leave. Moving is always stressful, and having the place rented to new tenants with only a couple days of showings helped a great deal.

All the best,

Geoff Lindsay
