Dear Evan,

Although I'm looking forward to moving back to a house in a rural setting, I wanted to thank you for giving me the opportunity to rent 68 Lavergne Apt 1.

Moving to Ottawa from Nova Scotia without being able to visit apartments ahead of time presented a daunting challenge. Thank you kindly for your many calls and emails describing the apartment in detail and for answering all my questions. The detailed information on your ApartmentDatabase.ca website really helped, and the comprehensive video tour of the apartment you recorded for me was invaluable.

The huge size of the apartment was very important to me. Had it not been so spacious, with so many large closets, I couldn't have fit all my belongings (which had previously filled a 3-bedroom, 3-level, almost 3,000 square foot Victorian house in Vankleek Hill).

I also enjoyed the recent renovations to the apartment, especially the new kitchen counter, sink and faucet, along with the new fridge and stove.

Thank you again for making my stay in Ottawa possible.

All the best,
